Afterword by Tomonaga Yoshiko
Sakura + Yoshiko
a fresh-faced fourteen-year-old
Nice to meet you.
I'm Tomonaga Yoshiko. The author has fled the premises, so I'm writing the afterword instead.
Sakura-chan LOVE!!
Sakura-chan is life
The way to get ten thousand shreds of cabbage is by arranging ten plates of julienned cabbage, each with a thousand pieces. And yet the stupid author only drew nine plates of julienned cabbage inside the front cover
and please marry me, Sakura-chan!! So I'm drawing the missing tenth plate here.
SAKURA
LOVE LOVE KAN
Ten thousand slices of Sakura-chan
Not maggots
FEEL THE LOVE
Slice and dice, ten thousand slices
I wanna gobble up Sakura-chan's cheeks. I wanna drink her drool.
SAKURA forever
I love her
I wanna transform myself into Sakura-chan's boobs.
Cherry pie!! Sakura pie!! Boobie pie
I'm gonna haunt her like a ghost
